ACCOMMODATION

Travel and hotel costs will be a major part of your expenses to participate at WTDGC. The LOC has worked hard to get special group rates and packages at a variety of options in the area.

All accommodation bookings can be booked through the LOC who are using the Tourist Agency DMKVall 042, a partner of the event. Bookings through the LOC are not mandatory and we encourage teams to investigate alternatives as you wish, however the LOC feels confident that the official accommodation option will provide a fun, inclusive and value added experience for all players. A discount to player fees will be available to anyone using the official event accommodation making bookings through the LOC since some venue costs are subsidized by the partnership formed with the Tourist Agency.

The WTDGC official accommodation will be student dorms a 10 minute walk to both courses. The dorms were built in 2017 and offer modern rooms with full facilities such as small kitchens, laundry, bathrooms, parking and common areas for players to gather after a day out on the course to share their stories. There is a restaurant attached to the dorms where meals will be served for those who pre-purchase the meal plan. Dorm prices will firm in a few weeks, but will not exceed €30 / US\$ 34 per person / per night in a twin share room (2 beds) inclusive of breakfast. Single use or 3 person rooms are also available on request.

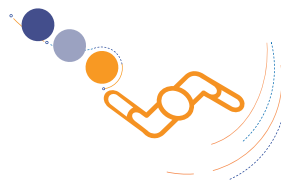

In addition to the student dorms, a higher level of accommodation will be offered to teams or players who prefer a little more luxury. The Boutique Hotel Park and Turist Hotel will be made available through the LOC too. Hotels will average €60-70 / US\$ 68-80 per person / per night for Bed and Breakfast in a 2 person shared room. Please remember to book through the LOC for your hotel booking to ensure the discounted event fees are applied.

Teams are reminded that they should only book their accommodation (private or through the LOC) and flights after WFDF's Covid-19 Working Group agrees the event can proceed. Any decisions will be emailed to teams after registration closes on the 15th January 2022.

TEAM & DIVISIONS

All WFDF member National Federations are invited to participate in WTDGC, as are their national Disc Golf Associations. It is a requirement that players hold current PDGA membership and have passed the Officials Test.

WFDF World Ranking Points will be awarded to every team that attends with bonus points available the higher up the event table a team finishes.

Each team will be allocated 5 World Ranking Points for participation.

Points shall also be awarded for finishing places at WTDGC - Each place shall be awarded 3 x the number of teams who attend the event. For example if there were 12 teams then first place would be awarded 12 x 3, second place 11 x 3 etc.

FORMAT

The format of the event will be confirmed once teams have registered.

There is a revised team structure from the last World Team Disc Golf Championships. The event will remain with teams of 6 but has changed to be made up of 3 x MPO, 2 x FPO and 1 x MPM/FP40. Teams may register and bring a maximum of 12 players allowing for substitutes between divisions.

Whilst WFDF wishes to continue its support of Junior players worldwide, the current economic and covid climates makes it difficult to include junior players at this time.

The competition format will follow previous WTDGC events with a combination of Doubles and Singles Matchplay rounds played against the equivalent seeds from competing teams.

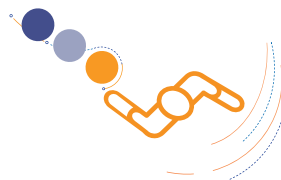

For the first time at an International Disc Golf event, WFDF will be introducing a Spirit of the Game (SOTG) award. This will involve all players and all teams voting in four (4) categories for their opponents. Categories are: Rules and Knowledge, Fair Mindedness, Positive Attitude and Self Control and Communication.

Further details on format will be given once teams have registered and after the fee payment deadline.

DISPENSATION CLAUSE

WFDF recognises that some countries will want to enter the event but may not be able to put a full team together for many reasons. We want to encourage as many teams and players as possible from around the world to attend the event and are committed to the principles of inclusion.

Each team can substitute an athlete in the MP40 and FPO divisions with any player who does not have a PDGA Rating above the 75th centile in the top quadrant of the division that they are replacing.

Guidance on specific ratings for 2022 will be given as member countries apply for dispensation. Application for dispensation must be made in writing at the time of player fee payment.

BORDER ENTRIES

We encourage each and every team to make specific enquiries about obtaining a visa to enter Croatia and to inform yourselves about any Covid-19 related restrictions. You are responsible for obtaining the correct paperwork to visit Croatia to compete at WTDGC 2022. Any and all costs associated with travel, visas and border entries are the full responsibility of the player.

Current information on the conditions of entry into the Republic of Croatia can be found [here](#).

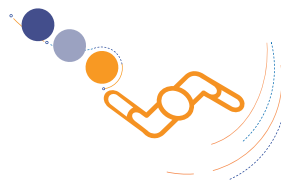

Please note that we can not provide specific advice on the process, but we do strongly recommend that you get started as soon as possible.

HEALTH & MEDICAL

All event participants are recommended to obtain travel insurance prior to booking hotels or flights and health insurance before leaving your home country.

WFDF and the WTDGC LOC do not provide coverage for participants. There are always risks associated with playing Disc Golf and travelling abroad. Although WTDGC will have a medical plan to deal with first aid and any injuries that happen at WTDGC, there may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at WTDGC. All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event cancellations that could arise.

PANDEMIC CONSIDERATIONS

Over the past 20 months the effects of the Covid-19 Pandemic have created uncertainty about hosting sports events and created travel restrictions globally. WFDF postponed the WFDF World Team Disc Golf Championships to 2022 in the hope that travel and ability to host international sporting events becomes more stable. In 2021 WFDF found it safe and possible to successfully host the European Team Disc Golf Championships in Croatia and athletes were able to move into the country without too much hassle.

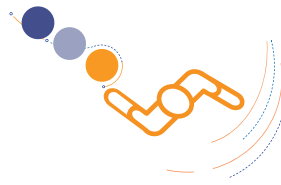

WFDF's Covid-19 Working Group (C19WG) will continue to monitor the situation within Europe and will work with the LOC to ensure that national and local governmental and health agency advice and criteria for hosting sports events are met in full. Only if and when the Working Group is satisfied that it is possible to host WTDGC while keeping all players safe, will the event go ahead.

It is likely that some of the restrictions placed upon Disc Golf athletes during the pandemic will continue as good practice in the coming year. Any updated guidelines published by WFDF and PDGA will be a part of the process needed to ensure that all athletes, staff and volunteers are kept as safe as possible at WTDGC. Social distancing, face mask use, virtual briefings and non-contact scoring will likely form part of the covid hygiene plan for WTDGC 2022.

A representative from the C19WG will meet with the LOC each month to determine if any new information presents itself that would warrant an event cancellation and will report back monthly to registered teams.
